Now available for shipping, the new rear dust guard for the Polaris RZR. A rear dust guard that is so clear it is hard to capture on camera!

Polaris RZR Rear Dust Guard

Made of 30 gauge clear flexible acrylic, the Polaris RZR rear dust guard is one of the clearest views available. The perfect addition to a Polaris RZR owners accessory line-up. Works great with all other Jstrong accessories including the side panel and top.

Add all the accessories to create a complete enclosure for your Polaris RZR. A full size clear flexible acrylic vinyl makes for easy rear view, again, so clear you can barely see it in the photograph!

Specifications:

- Constructed of 30 ga clear flexible acrylic
- 4 yards of velcro tape
- 1/1/2" top panel with plastic snap mounting strip sewn in
- 2-4x6 vinyl patches sewn in at seatbelt hardware position to protect against rubbing holes in dust guard
- Snug fit
- EK 214
